

# OSSI SAARINEN

## Wildlife Photography from Finland

Red squirrel (80 x 60 cm)

Red squirrel running around searching for food. Helsinki, 2019

Siberian flying squirrel (30 x 20 cm)

Big-eyed, nocturnal flying squirrel peeking from its nesting hole. Espoo, 2020

Goldcrest (30 x 20 cm)

The smallest, and probably grumpiest looking, bird in Europe.

Red fox (30 x 20 cm)

Young fox siblings keeping each other's fur clean by licking it.

Mute swan (30 x 20 cm)

Newborn swan chicks resting on a beach on sunny summer day. Helsinki, 2020

European hare (30 x 20 cm)  
Hares love eating dandelions. Espoo, 2020

Eurasian eagle-owl (30 x 20 cm)  
A few weeks old Eagle-owl near on its nesting area. Helsinki, 2018

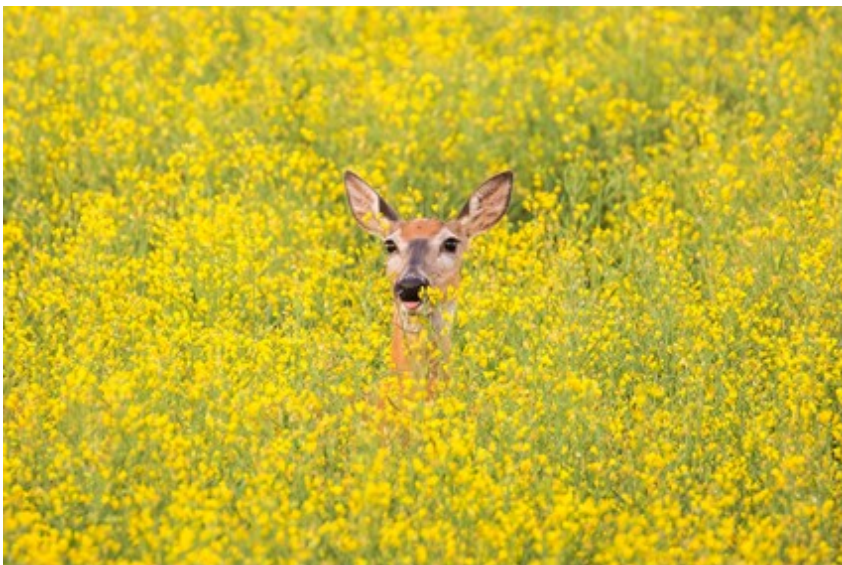

Long-tailed tit (30 x 20 cm)  
In my opinion the cutest bird in Finland. Espoo, 2019

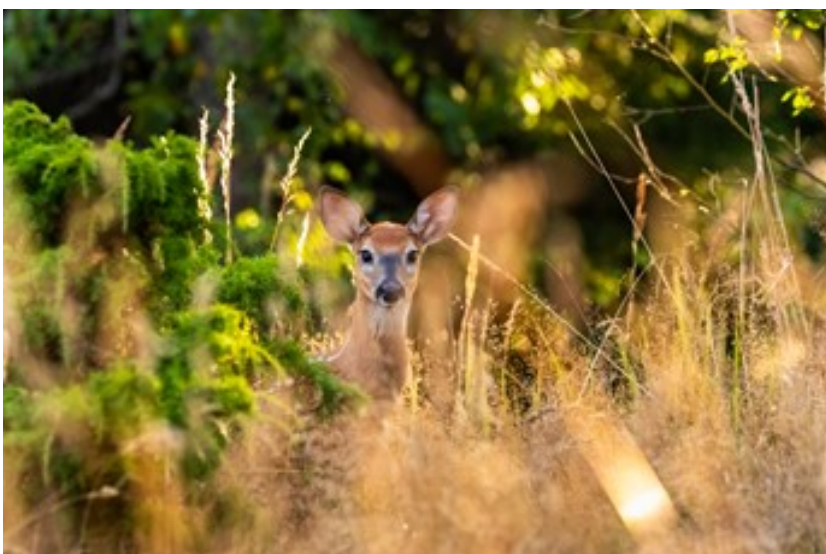

Golden eagle (80 x 60 cm)

Golden eagle flying over Oulanka National Park. Kuusamo, 2018

White-tailed deer (80 x 60 cm)

White-tailed deer peeking from a rapeseed field. Kirkkonummi, 2018

White-tailed deer (80 x 60 cm)

Young white-tailed deer hiding in the bushes. Kirkkonummi, 2019

European badger 80 x 60 cm)

After seven nights of trying I finally managed to capture a badger. Espoo, 2020

Raccoon dog (80 x 60 cm)

Young raccoon dog cub at sunset. Helsinki, 2018

Yellow-necked mouse (80 x 60 cm)

A yellow-necked mouse in front of its home cave. Helsinki, 2018

Moose (80 x 60 cm)  
Male moose with growing antlers. Kirkkonummi, 2017

Grey seal (30 x 20 cm)  
Young seal resting on the coastline of Helsinki city. Helsinki, 2020

Eurasian eagle-owl (30 x 20 cm)  
The biggest owl species of Europe. Helsinki, 2018

Red fox (30 x 20 cm)

This young fox had just left its family and is preparing for the first winter of its life. Helsinki, 2017

Raccoon dog (30 x 20 cm)

Young raccoon dog posing for camera. Helsinki, 2018

Siberian flying squirrel (80 x 60 cm)

Siberian flying squirrel climbing up a tree at sunset. Espoo, 2020

Natural spring (80 x 60 cm)

A never-freezing natural spring at winter. Hollola 2017
